Dear Bargaining Unit Employees, Managers, and Interested Others

The attached notes from the ORD-LV SHEM provide the latest information on the building closure schedule and other details for employees in the EPA buildings on the UNLV campus. This is essential reading for everyone, as it informs our activities for the remainder of FY18. Dr. Lantis Osemwengie, Vice President NAGE R12-135, represented the Union at this meeting.

While I am glad to see this information in writing, I am sad to see some of the dates are sooner than I expected.
Thanks, Ann
